**BEATPORT BRINGS
THE AMSTERDAM DANCE EVENT EXPERIENCE
TO FANS WORLDWIDE**

**FEATURING LIVE VIDEO STREAMS OF MORE THAN 50 PERFORMANCES
FROM OVER A DOZEN VENUES ACROSS FOUR DAYS**

(Denver/New York)—**BEATPORT**, the global pulse of electronic music and culture, is giving fans worldwide unprecedented access to the music and performances taking place at this year's [AMSTERDAM DANCE EVENT](#) through its new livestreaming video platform—**BEATPORT LIVE**.

As the official livestreaming partner for **ADE**, **Beatport Live** will feature **more than 50 performances ranging from DJ sets, to intimate album release parties, and exclusive label showcases**, taking place in **over a dozen venues across four days**. This includes performances from not only the [Amsterdam Music Festival](#), but also those taking place on the private **Beatport Boat**, the **Beatport Studio**, and at multiple venues and hotels across the city such as **the W, the Melkweg, Undercurrent, Q-Factory**, and more.

“Beatport Live gives fans of electronic music unable to attend ADE the ability to experience the action from home, from the biggest superstars to the emerging acts paving the future of this vibrant community,” said Beatport President & CEO Greg Consiglio. “The vast scope of this livestream effort in terms of both locations covered and the diversity of the artists participating marks the latest step in Beatport’s evolution

into a complete music platform... one that offers streaming music, downloads, video, news, and events to all fans no matter their preference in style, genre, or format.”

About Beatport

Beatport is the global pulse for electronic music and dance culture... a trusted source where fans, DJs, producers, and artists alike can create, connect and discover through a complete collection of music-inspired experiences, all within one platform. This includes listening to streaming music, downloading tracks, creating and sharing mixes, enjoying festivals and events both in person and live online, and accessing news, reviews, and insider videos. Together, Beatport offers a complete music experience for everyone, everywhere. Founded in 2004 as the principal source of music for DJs, Beatport today attracts an audience of more than 50 million unique visitors a year consisting of DJs, producers, and their fans. Beatport is has offices in New York, Los Angeles, Denver, Berlin and Amsterdam.
