**BEATPORT AND LOOPMASTERS ANNOUNCE DJ HARVEY REMIX
COMPETITION WITH \$4000 PRIZE PACKAGE FROM IZOTOPE,
GENELEC, LOOPCLOUD, MOOG, AND PLUGIN BOUTIQUE**

The producer who submits the best remix of DJ Harvey's track, "Berghain," will win \$4,000 in gear, subscriptions, plugins, and more from the acclaimed music companies, as well as a worldwide release on Beatport as part of an official remix EP for DJ Harvey's 'Locussolus' album reissue.

BERLIN, DE - AUGUST 13, 2020 - Following the success of **Beatport's** and **Loopmasters's** Beatport Producer Challenge, which received over 4,000 track submissions and handed out over \$100,000 in software subscriptions, comes the launch of a brand new music production and remix competition with a true originator of dance music, **DJ Harvey**.

Released in 2011, *DJ Harvey Presents Locussolus* is Harvey's most celebrated full-length album. Until now, however, the only way you could hear this album in its entirety was by buying a second-hand vinyl copy, making it impossible to access for all but the most determined of fans. "We just kept being made aware that a lot of people hadn't heard of or heard the album in recent times (it's been unavailable for sale anywhere for a number of years)," DJ Harvey said about the decision to reissue the album digitally.

The **DJ Harvey Remix Competition** will focus on the track "**Berghain**" and result in a single winner who will win one of the biggest prizes in electronic music in recent memory. Beatport and Loopmasters have partnered with **iZotope, Genelec, MOOG, and Plugin Boutique** to put together a prize package with a value of **over \$4,000** along with a release of the track on **Harvey's General Store**.

Speaking about the Remix Competition, DJ Harvey stated, "I'm looking for someone who's going to have a unique, interesting take on the track and will deliver a truly alternate version. I hope a lot of people feel inspired to have a mess around with it. The original is a banger, I'm excited to hear what people do with it. We plan to release the winning remix along with new takes on other tracks off the album, so I hope it's also a way for someone to get a bit of added shine." The

winner's track will be included on a forthcoming remix package alongside new remixes from London's Kiwi and LA's Lovefingers, Bears In Space and Warehouse Preservation Society.

The total list of prizes includes:

- Moog DFAM (Drummer From Another Mother)
- Pair of Genelec 8020D Studio Monitors
- 1 Year Subscription to Beatport LINK PRO +
- Remix release on Harvey's General Store
- Harvey's General Store Gift Pack
